Company Profile:

CREADE brand, named from CREATE, is aimed to create new design of electric appliances for new generation hotels.

The company, founded in 2007, specializes in manufacturing, developing, marketing and selling electric appliances for guest room of modern hotels. More-than-20,000-square-meter factory is equipped with professional mold workshop, injection workshop, assembly workshop, and modern equipment. More than 200 skilled workers provide fast delivery and more than 50 QC inspectors for quality control. Products are CE CB approved.

With the huge investment on the laboratory of researching the motor, heating coil and other important parts of electric products, and on the appearance development department who has the keen sense of smell and sharp insight into the market at the vision and direction of the changes, CREADE design is always leading the trend and CREADE products are the symbol of high quality.

Our mission is to let CREADE brand originated in China become renowned in every part of the world.

HIGH SPEED HAIR DRYER 22M/S

- **110000rpm High Speed Brushless Motor**
Create strong flow, drying hair fast.
- **Intelligent Constant Temperature Control**
Intelligent steady temperature control system, control the airflow temperature accurately, no heat damage.
- **Negative Ions Technology**
Natural wind: blue light, 13.5~17.5m/s, environment temperature
Warm wind: yellow light, 15.5~19m/s, 55°C
Hot wind: red light, 16.5~22m/s, 85°C
- **Acoustic Noise Reduction Design**
59DB, more to say goodbye to sharp wind noise of traditional hair dryer, with a better experience.
- **Colors Option**
 - Grey
 - JadeWhite
 - Pink
