# About Us

———— PART 1 ————

**CREADE** brand, named from CREATE, is aimed to create new design of electric appliances for new generation hotels.

The company, founded in 2012, specialize in manufacturing, developing, marketing and selling electric appliances for guest room of modern hotels. More than 20,000 square meters factory is equipped with professional mold workshop, injection workshop, assembly workshop, and modern equipment. More than 200 skilled workers provide fact delivery and more than 50QC for quality control. Products are CE CB approved.

With the huge investment on the laboratory of researching the motor, heating coil and other important parts of electric products, and on the appearance development department who has the keen sense of smell and sharp insight into the market at the vision and direction of the changes, CREADE design is always leading the trend and CREADE products are the symbol of high quality.

Our mission is to let CREADE brand originated in China become renowned in every part of the world.

<b>Test Verification of Conformity</b>	
Verification Number: 240608005SZN-VOC001	
On the basis of the referenced test report(s), sample(s) tested of the below product have been found to comply with the standards harmonized with the directives listed on this verification at the time the tests were carried out. Other standards and/or directives may be relevant to the product. This verification is part of the full test report(s) and should be read in conjunction with it item(s).	
Once compliance with all product relevant CE mark directives are verified, including any relevant e.g. risk assessment and production control, the manufacturer may indicate compliance by signing a Declaration of Conformity themselves and applying the mark to products identical to the tested sample(s).
